

Westell Boxer® | 5V Outdoor Cabinet

Weather-tight, secure outdoor cabinet featuring 5RU of rack space

General Information

Westell's Boxer series of outdoor cabinets offer innovative solutions to meet your demand for protection and security of your network equipment. A wide range of sizes and cooling options are available to support your space and cooling requirements. The Boxer outdoor cabinets are third-party tested to Telcordia GR-487 by independent National Recognized Testing Laboratories to ensure outstanding environment protection of your network equipment. The cabinets utilize welded, aluminum, powder coated construction to provide years of trouble free service.

The Westell Boxer 5 provides 19" 5RU of vertical rack space with available battery box, pole and wall mounting options.

Product Highlights
