

# Westell Boxer® 44 Plus Outdoor Cabinet Series

Weather-tight, secure outdoor cabinet line each featuring 44 RU of rack space

## General Information

Westell's Boxer Plus series of outdoor cabinets offer innovative solutions to meet demand for the protection and security of network equipment. A wide range of sizes and cooling options are available to support your space and cooling requirements.

Boxer Plus outdoor cabinets are designed to meet Telcordia GR-487 to ensure outstanding environment protection for your network equipment. The cabinets utilize welded aluminum, powder coated construction to provide years of trouble-free service.

The Westell Boxer 44 Plus outdoor cabinet series provides 44 RU with 19" or 23" rails.
